KryTech™

- Our cleanest lube
- Dry wax film, fortified with DuPont Krytox® and moly
- Repels grit & grime to prevent abrasive wear
- No oily / greasy film

Teflon™ Plus

- Industry's original 'Dry-Style' Lube
- Our best seller!
- Minimizes attraction of dirt & road grime
- Slick Teflon® and Synthetic oils work great in all conditions

Cross Country™

- A Wet-style synthetic lubricant
- Best choice for rain, mud, snow!
- Prevents rusting in coastal climates
- Great for extreme and / or long rides

Pro Road™

- Patented fluoro-ceramic technology
- For high-torque pedalling over ultra-long distances
- Smooth and quiet; great for racing!
- Totally repels water
